

## Project “Education – it’s creation”

**About project:** Hosting organization – Melkys community kindergarten - is oriented into the holistic educational sphere, where the most important values are: **Spiritual and a humanistic approach with the student, nature - an integral part of the school, evenly assign intellectual, creative and physical activities, practical activities and projects with adults.** <http://www.melkys.lt/en/index.html>

**Mobility beginning:** 2019 September

**Mobility duration:** 10 months

**Allowances:** 230 Eur/monthly

**Working place:** Melkys village, 25 km from the center of capital Vilnius.

**Accommodation:** personal room in the shared apartment with other volunteers in Vilnius. Transportation from living place to Melkys school will be organized.

**Volunteer's description:** person who would be interested in outdoor activities, ecological lifestyle, new point of view to education processes and working with re-school children.

**Aims of hosting organization:**

to organize the education process of preschool children in Melkys kindergarten, raising awareness of critical thinking about educational system and the importance of learning from practice and together with the nature. In the organization will be 2 EVS volunteers - one person in Melkys school and other in Melkys kindergarten.

**Activities:**

- September-June: volunteers spend time in the **kindergarten**, helping and assisting teachers and kids during educational projects;
- volunteers learn about outdoor, humanistic education methods, children psychology, ensuring safety methods outside;
- volunteers are invited to implement their own ideas and projects: participate in EcoEducations creation process for kids and community;
- volunteers participate and assist in eco-initiatives, social actions and events, festivals for children and educators, community festivals;
- participate in the dissemination process of volunteering – present own experience;
- Volunteers will have a possibility to do internships in other kindergartens.
