

INFONOVA is an international information technology company and one of the biggest IT employers in Styria with 350 employees at the headquarters in Unterpremstätten/Graz and Vienna.

We are specialized in providing technology and business-oriented solutions and services to telecommunications, media, utility and convergent industries.

We are always looking for the best people for our exciting national and international projects.

Develop [yourself] with us!

To strengthen our headquarters in **Graz** we are looking for

Internship (m/f)

Your responsibilities comprise:

- Implementation of software components based on Java Enterprise Edition
- Development of business components using Web services
- Integrating the software with different Database systems using O/R mapping

Your strengths:

- Willingness to learn and interest in using new technologies
- Basic knowledge in the development of JAVA / J2EE applications
- Basic knowledge in SQL

Benefits:

We develop with "Scrum", an agile procedure model which demands teamwork and communication and therefore offers a pleasant working environment. You can expect versatile and interesting assignments with a high personal responsibility and very good educational opportunities. Good co-operation and social interaction are essential elements of our philosophy. Therefore, we offer our employees scope for development to integrate all personal strengths in an international field of activity.

We are looking forward to welcome you!

Duration of the internship: minimum 6 weeks - starting date is flexible.

Internships will be offered in the departments Software Engineering, Operations and Support, Helpdesk and Admin.

We will be recruiting on the following days:

Tuesday, 16.02.2016

Tuesday, 22.03.2016

Tuesday, 19.04.2016

Please apply online at www.infonova.com c/o Silvia Sprügl.
