

A group of people are seated around a dark wooden table in a modern office or co-working space. They are focused on their laptops. In the foreground, a man with headphones is seen from behind, typing on his laptop. To his right, another man is looking at his laptop. In the background, a man in a brown hoodie is talking on a headset. A woman with long dark hair is on the left, also working on a laptop. The scene is lit with warm, natural light from a window on the left. The overall atmosphere is professional and collaborative.
