

INFONOVA is an international information technology company and one of the biggest IT employers in Styria with 350 employees at the headquarters in Premstätten/Graz and Vienna.

We are specialized in providing technology and business-oriented solutions and services to telecommunications, media, utility and convergent industries.

We are always looking for the best people for our exciting national and international projects.

Develop [yourself] with us!

To strengthen our headquarters in **Graz** we are looking for

Technical Consultant / Architect (m/f)

Your responsibilities comprise:

- Consulting with our partners as to the correct use of our software solution R6
- Design and development of tutorials and use case examples of R6
- Running training on R6 functionality
- Support of technical and specialist questions concerning the functionality of R6
- Presentation of our R6 product to customers/partners as well as conducting proof-of-concepts
- Development of solution architecture to take over the role of client-facing solution architects

Your strengths:

- Completed technical education (HTL, FH/Uni) and experience in object-oriented software development
- Development experience with Java, Spring, SQL and web technologies
- Excellent communication skills in English and German (written and oral)
- Enjoy working with people
- Outgoing and able to speak easily with customers/partners
- Willingness to travel

Benefits:

You can expect versatile and interesting assignments with high personal responsibility and very good educational opportunities. Good co-operation and social interaction are essential elements of our philosophy. Therefore, we offer our employees scope for development and to integrate all personal strengths in an international field of activity.

Depending on your qualifications and experience, we offer you an attractive salary (represented by the blue bar). For legal reasons, we advise you that the collective agreement stipulates a salary starting at EUR 2.789 gross/month, however a market-based overpayment at INFONOVA is common.
