

WE ARE LOOKING FOR A TEAM PLAYER – DEVELOPER

At Žejn Group we are strengthening the ranks of our R&D team. An independent developer, ready to move the limits of the possible, will join a team of young enthusiastic developers. The main focus and daily staple in the R&D department is solving development challenges and upgrading our document system ShakeSpaare™, which enables process optimization in Healthcare and Banking industries.

BRING ALL YOUR KNOWLEDGE WITH YOU, AS YOU WILL NEED:

- Java programming knowledge
- knowledge of OOP
- knowledge of Web Services
- knowledge of SQL data banks
- English

Desired:

- knowledge of RUP and SCRUM metodologij
- knowledge of SOA

BECAUSE YOU WERE BORN JUST LIKE THIS...

- communicative,
- a team player,
- innovative,
- creative,
- responsible,
- enthusiastic about exploring and learning,
- able to analyze the business challenges of the client,
- able to think abstractly,
- able to see the big picture,
- goal-oriented.

SHARE WITH US THE EXPERIENCE YOU HAVE GAINED SO FAR

TAKE ADVANTAGE OF WHAT WE ARE OFFERING

- top-notch tech team and »cutting-edge« knowledge transfer
- stimulative reimbursement
- chance for personal growth
- a healthy, positive, and relaxed working environment
- a dynamic work schedule
- co-creation of tomorrow
