NXP EMEA Campus Engage

Event Highlights:

Company Introduction: Discover NXP and learn how we're shaping the world of technology through groundbreaking solutions in secure connectivity, IoT, and more.

Technology Spotlight on AI/ML: Get an insider's look at how NXP is driving advancements in Artificial Intelligence and Machine Learning.

Panel Discussion with Young Graduates: Hear firsthand experiences and career advice from our young professionals at NXP. Learn how they are contributing to game-changing projects and what it's like to work in one of the world's leading tech companies.

Ask Me Anything Session: Have burning questions? Our team is ready to answer! Whether it's about careers, innovation, or the future of tech, no topic is off-limits.

Join us to connect, learn, and explore the exciting possibilities that await you at NXP!
